

***“You can’t change the whole world, but you can change the whole world for one child.”***  
**~ Wayne Naugle | Executive Director, Families 4 Families**

We welcome Wayne Naugle as our guest speaker today. Wayne is the founder and director of Families 4 Families, a ministry that helps find loving families for foster children. Currently, there are over 13,000 children in foster care in Georgia, and Families 4 Families works to find safe and healthy homes to provide love and support to these children. Some of the children will be adopted by caring families who will nurture and welcome these children into their homes. Others will be cared for by foster families who will offer a safe and loving environment where the children will learn they are loved by God. Families 4 Families also works to help these children's birth families experience the love and healing of Jesus Christ. If you want more information about how to be a foster parent or how to offer support and help to other foster parents in our community, Families 4 Families offers virtual information sessions to answer additional questions. The next information session is May 19 from 7:00 pm – 9:00 pm.
